Features

【Support Multiple Network Protocols】

Including ONVIF, RTSP, etc., facilitating interconnection and integration with other devices to empower the monitoring system

【1080P HD】

It captures high-definition images of driving records and road conditions

【With IR-Cut and Night Vision】

IR-Cut function during the day makes sure that the picture is bright and natural, while night vision function helps capture as many as important details in low light conditions

【H.264/H.265】

Dual encoding makes the best use of storage space, reducing bandwidth workload and stuttering

【Support Upgrade Through Network Cable Firmware】

So customers can catch up the latest functional features and optimize device performance

【Original/Mirror Adjustable】

Image display is made more flexible to cope with different situations

【Three Optional Power Supply】

DC 12V、DC 32V、POE(IEEE 802.3at/af)
